## MAGENTO 2 PROJEKT

# Dock & Bay

- AUSTRALSK MARKED
- REVIEW

“Paul and MageCloud team were incredibly helpful from the start. I received really good guidance on how to scale a project, and during ramp up received the appropriate help without an over commitment as some other developers would require. In addition, the team demonstrates creativity and flex when certain parameters crept into plan and adjustments are made quickly. Paul also has been valuable in providing open feedback, suggestion and moving my projects along. Good communication and great work.”

# Driving eCommerce business forward.

- PORTFOLIO

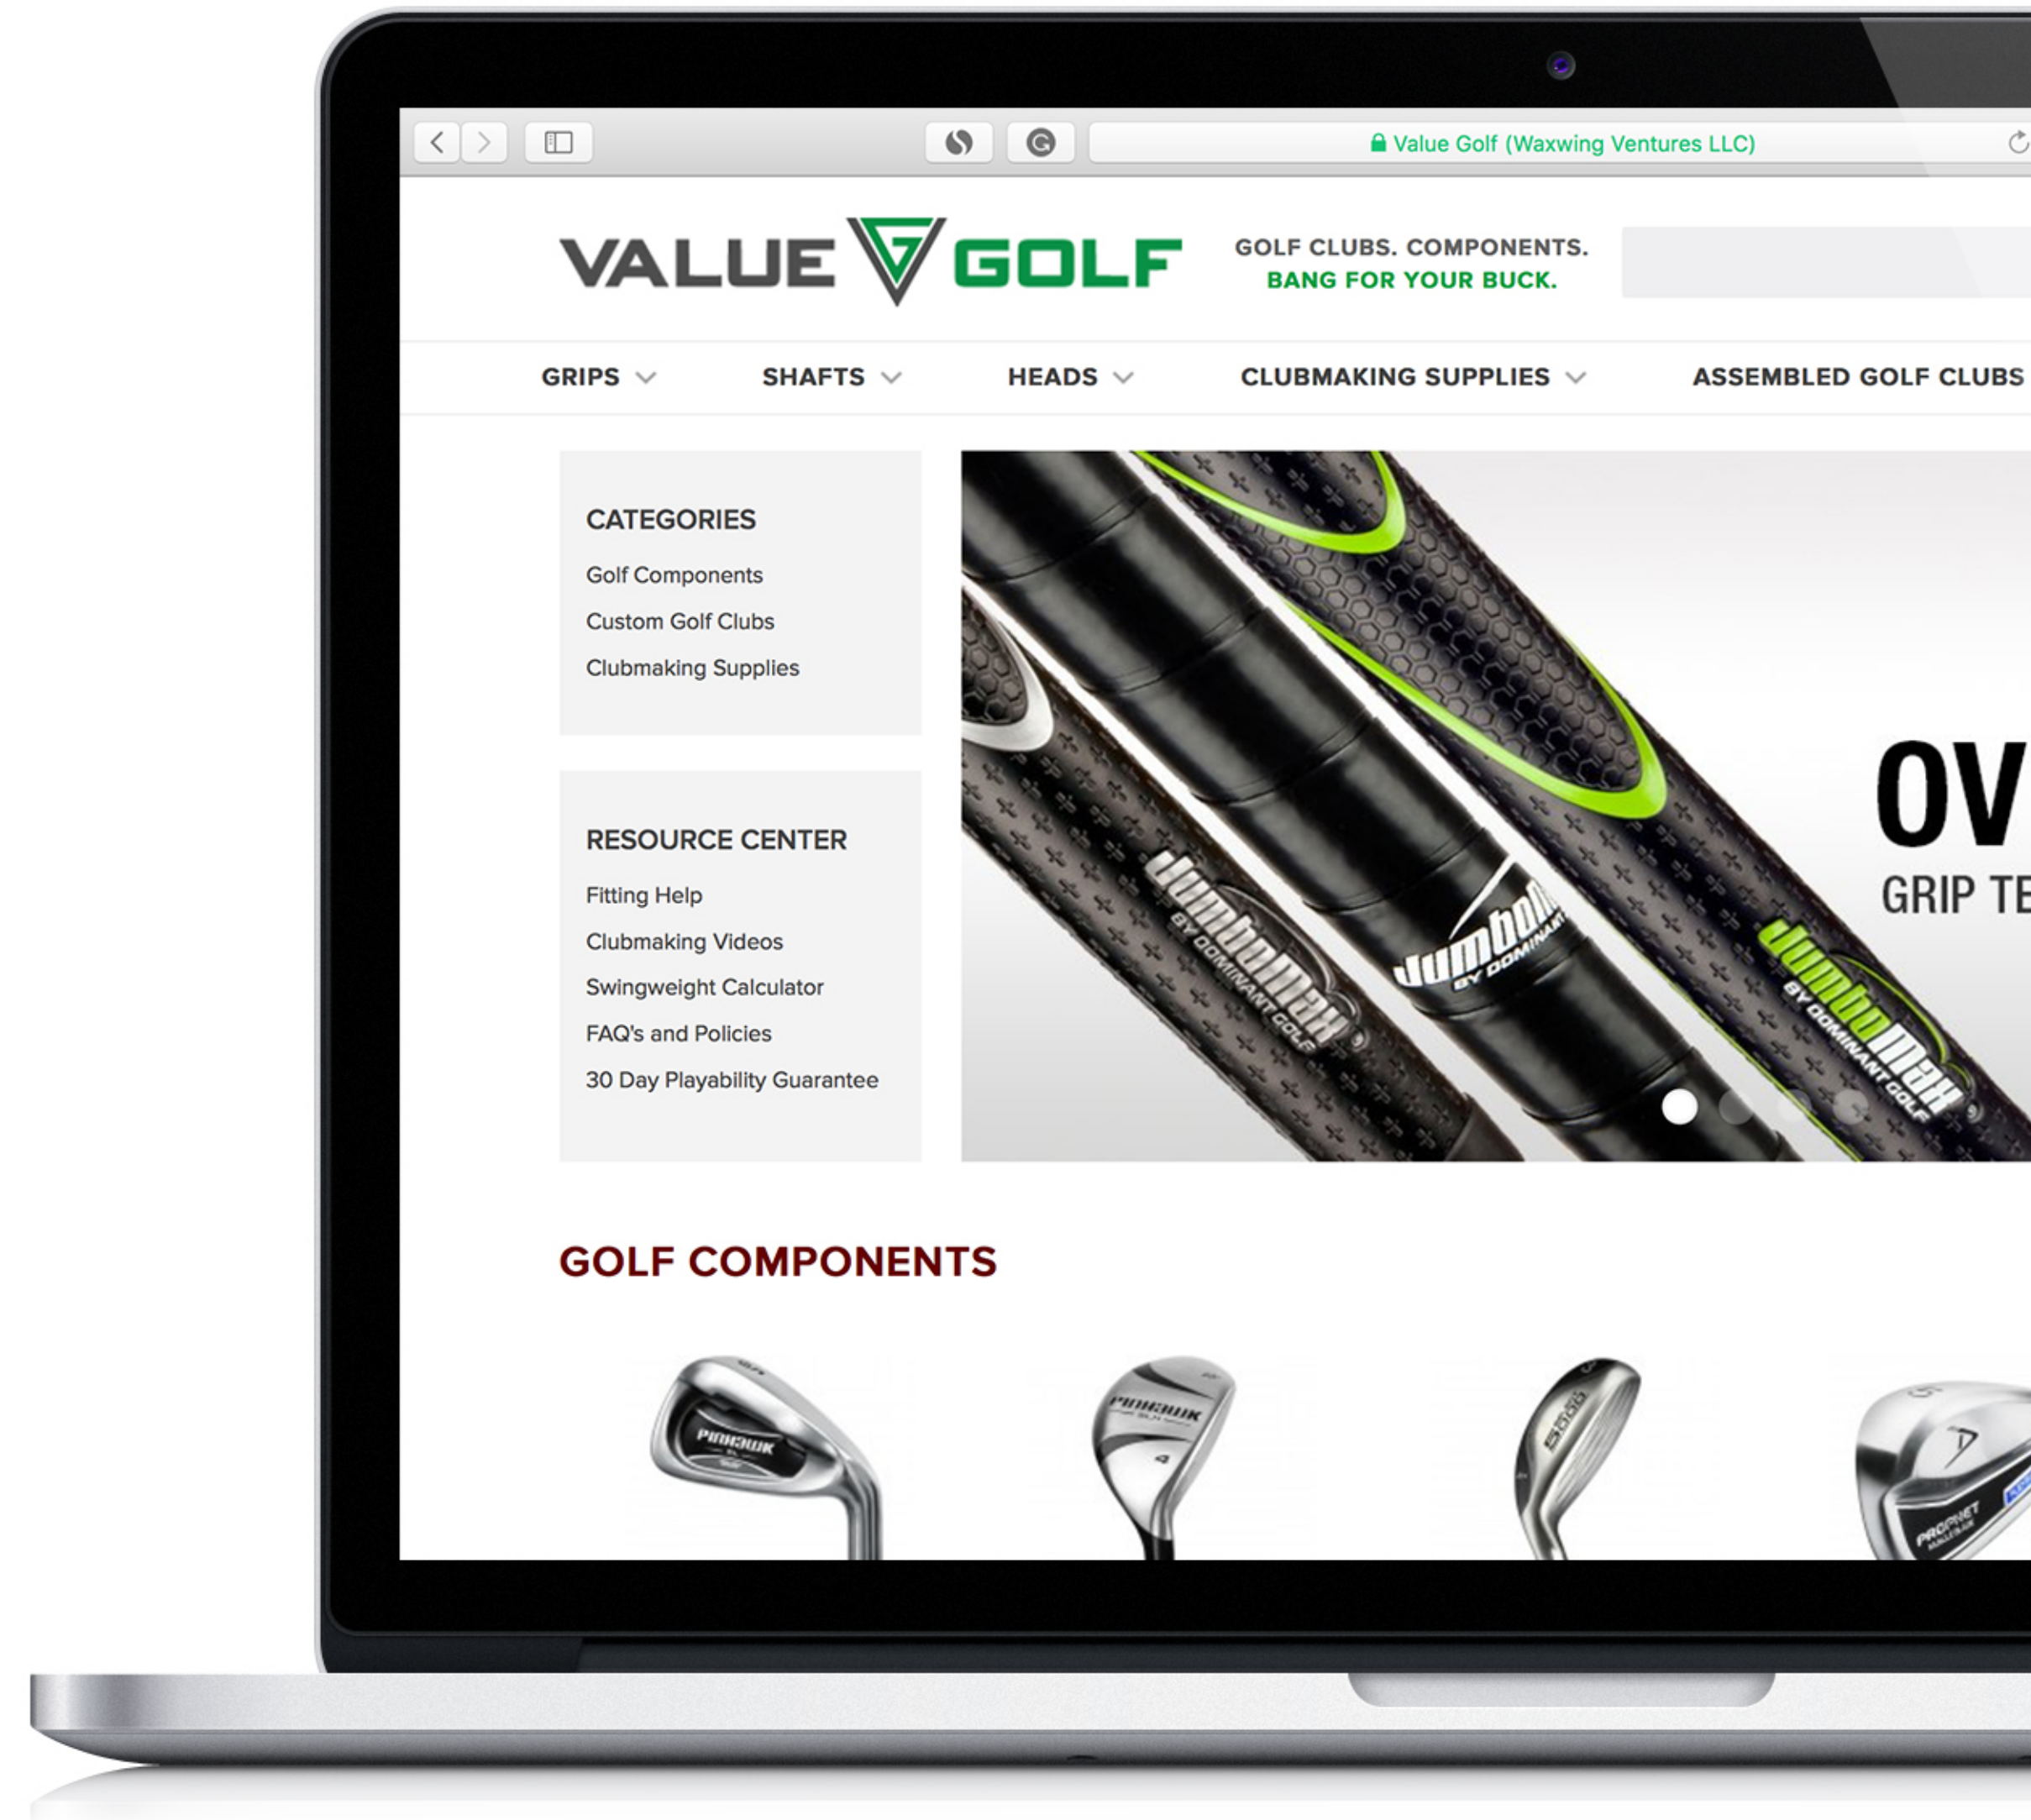

MAGENTO PROJEKT

# Value Golf

- USA MARKED
- REVIEW

“Paul and the team were world class to work with. They have great attention to detail and made me aware of things that I needed to tweak. They were also responsive to my changes, and I really look forward to working with them in the future too.”
